## Payments Deposited Wherever You Want, Quickly and Easily

Payment Form is a payment link you can share with customers anywhere. Then, customers can pay you with their debit or credit card, or an electronic bank transfer, and the money automatically lands in your business checking account.

## Always Know Your Payment Activity

Quickly see who opened your invoices, made a payment, or still owes you money. You can also access more detailed reports, such as Balance Sheets or General Ledgers.

**Streamline your business with Autobooks.**
